

Zimmer Biomet Institute Fellowship Program

Institution Application Process

Australia and New Zealand

 ZIMMER BIOMET
Institute

Zimmer Biomet has an important role as a worldwide leader in the musculoskeletal healthcare industry. We are dedicated to restoring mobility, alleviating pain and improving the quality of life for patients around the world. Zimmer Biomet has demonstrated industry leadership through corporate giving, including support for patients who would not otherwise receive orthopaedic care, support for charitable organisations and support for professional medical education including fellowship programs where appropriate. Zimmer Biomet invites organisations to submit proposals to Zimmer Biomet for funding consideration.

Zimmer Biomet provides grants for fellowship programs in the following orthopaedic areas:

1. Major Joint Arthroplasty Hip and/or Knee
2. Joint Arthroplasty Extremities (incl. Shoulder, Elbow, Hand & Wrist, Foot & Ankle)
3. Sports Medicine
4. Degenerative and Deforming Conditions of the Spine

To be eligible for grant consideration, a fellowship program must be accredited by the Australian Orthopaedic Association (AOA) or the New Zealand Orthopaedic Association (NZOA).

All applications will be reviewed by the relevant regional Zimmer Biomet Grants Review Committee (GRC) and the following criteria will be taken into consideration when determining the success or otherwise of an application:

- Supervisors – level of clinical, research and teaching experience and expertise
- Fellowship curriculum – well defined goals and objectives
- Teaching institution – quality of facility and its research capabilities, other expertise
- Fellowship history
- Research topic

In order to apply for fellowship funding please send the following documents to meded.anz@zimmerbiomet.com

- Letter of request (incl.):
 - length of fellowship (start and finish date);
 - level of funding support requested and how funds will be distributed;
 - program supervisor/s name/s and position/s;
 - overview of the fellowship program including its history and objectives
- AOA and/or NZOA accreditation certificate
- CVs of lead supervisors
- Detailed position description for the fellowship program
- List of directors and executive officers of the requesting party
- Grant usage report (if previous recipient)
- AOA fellow/s and supervisor/s reports (if previous recipient)

Our continuum of education offers a vast range of opportunities to health care providers and Zimmer Biomet team members to **learn, interact, understand** and **share** knowledge about our products, services and about surgical philosophies through a variety of modalities.

Zimmer Biomet is committed to ensuring compliance with all applicable laws and regulations, including the Medical Technology Association of Australia's Code of Practice and the Medical Technology Association of New Zealand's Code of Practice for the Medical Technology Industry and other applicable industry standards. Zimmer Biomet restricts participation in our medical education meetings to approved health care professionals. Zimmer Biomet cannot organize, facilitate or pay arrangements such as hotels, meals, transportation to or for individuals not having a bona fide professional interest in the meeting (including for spouses, partners or other accompanying persons not directly involved in the meeting). Any personal data you provide to Zimmer Biomet in connection with the meeting (such as your name, area of medical specialty, hospital name, city, country and e-mail address) is collected and used solely to register you for the event and in order to provide you with further information about the event. Your personal data will not be sold or transferred to any third parties and in all other respects will be handled in accordance with Zimmer Biomet's Privacy Policy for APAC that is accessible from website www.zimmerbiomet.com.au. This publication and all content, artwork, photographs, names, logos and marks contained in it is protected by copyright, trademarks and other intellectual property rights owned by or licensed to Zimmer Biomet or its affiliates unless otherwise indicated, and must not be redistributed, duplicated or disclosed, in whole or in part, without the express written consent of Zimmer Biomet. For complete product information, including indications, contraindications, warnings, precautions, and potential adverse effects, see the package insert.
